## OUR TEAM PROVIDES SUPPORT IN:

- Assistance with litigation strategy, evaluation of merits
- Preparing and responding to interrogatories
- Forensic accounting
- Investigation of possible fraud or embezzlement
- Analysis of financial statements and tax returns
- Damage computations
- Explaining financial implications
- Providing expert witness testimony for trials and depositions, arbitration, and mediated settlements
- Settlement negotiations
- Alternative dispute resolutions
- Bankruptcy and insolvency
- Analysis of marital/non-marital assets in connection with divorce proceedings

## HOW WE CAN HELP

The involvement of an experienced financial professional with strong analytical and communication skills accompanied with the ability to apply them in the context of a legal dispute can make all the difference. We work hand-in-hand with the legal community to assist in all stages of litigation and dispute resolution.

## WE PROVIDE COUNSEL

With financial expertise to unravel the complex issues involved in all phases of the litigation process. Our experience, advice, and testimony have helped our clients to optimize their outcomes in the dispute resolution processes.

## BENEFITS

There are several benefits of having The Hobbs Group assist with your litigation support:

### SIZE

We are large enough to offer specialized services, but small enough to develop close personal relations with our clients.

### EXPERIENCE

We have been involved in litigation support and provided valuation-type services for over 25 years.

### COST

You will find that our fees are very competitive with larger metro Areas in the Southeast including Charleston, Charlotte, and Atlanta.

## WE COMBINE OUR TRAINING AS:

- Certified Public Accountants (CPA)
- Certified Valuation Analyst (CVA)
- Certified in Financial Forensics (CFF)
